GREG STROBEL LEGACY FUND

Engineered for Success

GREG STROBEL

The former head wrestling coach at Lehigh (1995 to 2008) helped establish the Lehigh Valley Wrestling Club, (originally named Lehigh Valley Athletic Club) in 1999. The club began operations to help raise the level of wrestling in the Lehigh Valley by bringing higher level training partners and coaches to the area, showcasing a wider range of cutting-edge wrestling skills to be shared with developing athletes, conduct freestyle wrestling clinics, and provide assistance to help area wrestlers get to high level competitive events.

Greg's legacy lives on through the countless people he's influenced throughout his life. We will continue to honor his legacy with the creation of the Greg Strobel Legacy Fund. This fund will support the Lehigh Valley Wrestling Club resident athletes and coaches as they pursue their goals as well as allow them to help other Lehigh Valley scholastic, club and community wrestling programs improve.

GOAL

Raise \$3 million to supplement expenses related to competitive success, personal and professional development and community service and social engagement.

Competitive success:

Provide necessary resources to create an outstanding training environment with world class coaches and training partners.

Professional and personal development:

We will offer our athletes personal and professional development opportunities by partnering with local businesses and industry leaders to build beneficial skills and networks to aid transition once their competitive careers conclude.

Community Service and Social Engagement:

We will partner with local wrestling clubs and community organizations to participate in programs and initiatives focusing on inspiring and uplifting the members of the community.

Greg was passionate about helping his athletes and coaches reach their full personal, professional, and athletic potential.

He taught his athletes and coaches to view adversity as an opportunity to overcome challenges, to see hardships as problems to solve and most importantly to handle everything with dignity and grace.

Greg understood the importance of being a teacher and mentor through his career.

This quasi-endowment fund will help continue Greg's legacy of creating great leaders on and off the mats by providing meaningful support and resources to LVWC athletes and coaches as well as raising the level of wrestling and coaching in the Lehigh Valley.

Thank you for your support.
